Overview

The Cantiere Delle Marche Darwin 96, an exceptional vessel originally launched in 2013, has undergone a transformative and comprehensive 3D refit in 2023, marking a new era of sophistication and cutting-edge design. This yacht stands as a testament to the commitment to excellence, combining modern technology with a timeless aesthetic.

With a length of 96 feet, the Darwin 96 offers ample space for indulgence and adventure. The exterior boasts a robust steel hull, emphasizing its explorer capabilities, while the sleek lines and modern design elements add a touch of contemporary sophistication. This vessel is not just a means of transport but a statement of style on the open seas.

Step aboard to discover a world of opulence within. The interior is a masterpiece of design, featuring a tasteful blend of high-quality materials, exquisite craftsmanship, and state-of-the-art technology. The Darwin 96 can comfortably accommodate a select group of guests, providing an intimate and exclusive atmosphere for an unforgettable journey.

The expansive deck areas are designed for both relaxation and entertainment. Whether you prefer soaking up the sun on the spacious sundeck, enjoying al fresco dining in the shade, or unwinding in the Jacuzzi with panoramic ocean views, the yacht offers a range of options to suit every mood.

Equipped with the latest navigation and safety technology, the Darwin 96 ensures a smooth and secure voyage across any waters. Its long-range capabilities make it an excellent choice for exploring remote and exotic destinations, allowing charter guests to embark on a truly bespoke and adventurous maritime escapade.

Indulge in the ultimate luxury charter experience with the 2013 Cantiere Delle Marche Darwin 96, where every detail has been meticulously crafted to exceed the expectations of the most discerning travelers. Whether you're seeking a thrilling expedition or a tranquil retreat at sea, this yacht promises an unparalleled journey into the realm of nautical

excellence.
