## Overview

SERENITY is a stunning yacht built by the Dutch shipyard Moonen, featuring an elegant exterior design, courtesy of René van der Velden, with the interiors crafted by Art Line Interiors, providing a chic, yet homely feel with plenty of space and light. Living spaces are spread over four decks, linked by a stunning stairwell and topped by a skylight which allows natural light through into the interior. The sundeck is protected from the wind by a sun roof, partially shading the sunbathing and bar area, including a BBQ and a Jacuzzi, making her ideal for entertaining or family retreats. Inside are multiple lounging areas, each providing great panoramic views of the ocean and

with the comfort of guests in mind. The main saloon itself is breathtaking in its modern and stylish design, furnished with natural elements such as French oak, Zebrano wood, and leather. Furthermore, the interior is flexibly mounted to dampen vibration and reduce noise, leaving guests with a serene experience as they relax onboard.

Up to 10 guests can be comfortably accommodated in luxurious ensuite staterooms, including 2 x convertible cabins that can be switched between a twin or double configuration allowing great flexibility in sleeping arrangements. The AV systems are state of the art and WiFi is provided throughout using STARLINK and 4G/5G where available. For fun-seekers, SERENITY provides an impressive collection of toys, including 3 x wave runners, water scooters, and foils amongst many other things. The attentive crew of 8 will ensure that guests are kept safe and have a truly memorable charter experience.
