OVERVIEW

VAT paid - Bow Thruster - Generator - Private use since new

The yacht was dry docked in 2019 and has been serviced and maintained by a full time management local team. Cranchi's Atlantique 50 is all about Italian styling, quality, and performance. The flybridge area offers even more space, especially for those who love outdoor life. This, professionally and meticulously maintained to the highest standard, represents a very well conditioned used motor yacht.
