OVERVIEW

Careless is a beautiful Sunseeker Predator 56 available for charter out of Ionian Sea! She can accommodate up to 10 guests cruising and is in great condition after being refit in 2020.

Careless has large amounts of exterior space while looking sleek but still providing comfort for her guests. She has plush forward sunbeds and the aft seating area has a retractable shade for guests who want to escape the sun.

Her main salon is made to feel bright and airy due to her full-length windows letting in lots of natural light. Her interior cabins is decorated with fine wooden finishes that guests are able to relax in.

Careless has an accommodating dining area perfect for meals or afternoon drinks. A little further down is a large swim platform making the Mediterranean waters very accessible.

She has 2 English speaking crew on board ready to make your charter unforgettable!
